

Andrew Hayward

Andrew Hayward works at Twitter where he works on **accessibility** for disabled people.

Accessibility is about being easy to use and suitable for people with different needs.

Andrew looks at accessibility for:

- people who use Twitter
- Twitter's staff.

Andrew has:

- spoken out about the issues disabled people face

- won lots of awards

- had his work shown in art galleries

- worked to make online services easier to access for disabled people

- lots of hobbies, including taking part in charity bike rides.
