

Anna-Ruth Cockerham

Anna-Ruth is a 21-year-old student studying at St. Andrews University.

She has a neurological disorder - this is a health condition that affects her brain.

At university she has helped other disabled students by:

- setting up an online support group
- campaigning for ways the University can help disabled students.

Anna-Ruth was elected Disability Officer for St Andrews Students' Association.

She has also:

- created the Accessibility Pledge - this is a guide to running accessible events

- run St Andrews' first Disability Pride Week

- set up the Schools' Wellbeing Advisory Group.
