

Dr Gregory Burke

Gregory has used a wheelchair since he was 16 years old.

He has attained many qualifications including MA, MPhil and PhD from King's College Cambridge.

When he was a student in 2000 he set up DisabledGo. This was later called AccessAble.co.uk.

He learned a lot of information that disabled people need to know to feel confident about getting into a building.

AccessAble now has details about the **accessibility** of thousands of buildings.

Accessibility is about being easy to use and suitable for people with different needs.

Gregory also studied law and by 2017 became the head of a team of lawyers called **7BR**.

7BR are experts in the law about jobs and work.
