

Kelly Louise Given

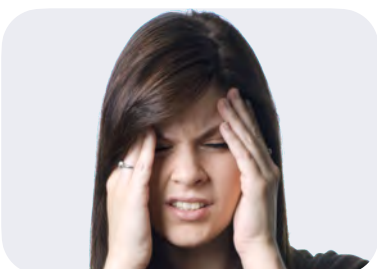

Kelly is the Workforce Co-ordinator for **COVID-19** Mass Vaccination for NHS Lothian.

COVID-19 is also called Coronavirus. It is an illness that is spreading around the world. It can affect your lungs and breathing.

After years of problems, Kelly was told she has autism and **ADHD**.

ADHD (Attention Deficit Hyperactivity Disorder) is a mental health condition where you find it hard to focus on 1 thing, and may also find it hard to keep still or be quiet.

Kelly was elected to Scotland's Youth Parliament. She has spoken for Scotland at the European Parliament and the United Nations.

She is on the board of a national charity that helps autistic women and girls to speak up.
