

## Stefan Hoggan-Radu

Stefan was in the Disability Power 100 in 2019 and 2020, and this year he is now a judge. He is very excited about this.

He says he has enjoyed:

- everything about being in the Disability Power 100.

- reading about other people's lives and experiences.

Stefan says that the Disability Power 100 is very important, because it lets people know about the good work that is being done by people with disabilities.

Stefan has been:

- trying to become a Member of the Scottish Parliament.
- working on a podcast called The Blether Cast, which has disabled people talking on it.

In 2022 Stefan is starting an exciting new job and hopes to be part of the Scottish Council Election.
