Disability Power 100

Matthew Campbell-Hill

Matthew gives advice to lots of big organisations and helps them deal with certain problems.

He mainly gives advice about technology, but he also works with transport organisations.

Matthew set up a charity called Chair Ted's Light, which supports lots of young children who have to leave their parents.

Matthew works to make sure more people from different backgrounds are included in important roles at organisations.

Matthew has won a That'll Do Star award for his work.
