Disability Power 100

Lady MJ Warrior

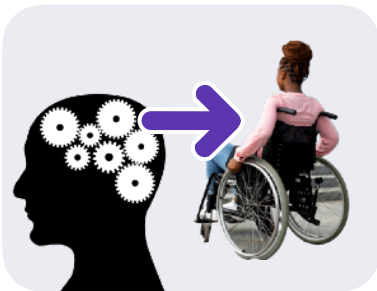

Lady MJ Warrior is a music artist who speaks up for people with **invisible disabilities**.

Invisible disabilities are disabilities that other people cannot see, like autism.

Lady MJ Warrior creates music for big companies in the UK. She wants her music to teach people about lots of different topics.

Lady MJ Warrior had an injury to her brain that caused her to need to use a wheelchair for a part of her life.

She has:

- Set up a charity called Head Injury Heroes which support patients with head injuries.

- Worked with doctors to teach them how to help patients with invisible disabilities.

- Organised lots of music events for charity.

- Won awards for her singing.
