

Fuchsia Carter

Fuchsia encourages businesses to be fair towards disabled people within their employment process..

She works for the HSBC Bank and **AMS**.

AMS is a worldwide company that helps businesses choose people for a job.

Fuschsia uses a wheelchair and is **neurodivergent**.

Neurodivergent means your brain works in different ways to most people.

Fuchsia often talks to HSBC staff about what it is like to be disabled.

She is also an actor and a model.

Fuchsia was involved in Shelter's new campaign about homelessness.
