

Represent is Co-op's group for supporting disabled staff members.

It is led by Gareth Smith, Katy Brown and Natalie Gregg.

Represent works to:

- Make sure Co-op is a safe workplace for disabled staff members.

- Improve how Co-op supports and includes disabled members of staff.

- Support disabled members of staff by leading support groups and 1 to 1 help.

The changes Represent is making in Co-op are also helping disabled customers too.
