Disability Power 100

# Shani Dhanda

Shani Dhanda has won many awards for the businesses she has set up and the work she has done.

She has set up:

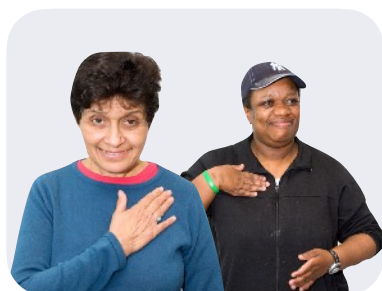

- Diversability - a website that helps disabled people get things cheaper.

- Asian Woman Festival, which reaches over 2 million people in 38 countries.

- Asian Disability Network.

Shani helps many businesses include disabled people and people from different backgrounds.

Shani has made important public speeches, including talking to the United Nations.

She has also been on many well known TV programmes including This Morning.
